# Gas Spin-A-Fire

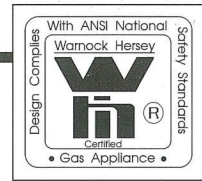

After 25 years manufacturing the wood burning Spin-A-Fire Malm now adds the beautiful Gas Spin-A-Fire with the same high quality and unique design. This elegant free standing fireplace is available in matte black, 16 decorator colors fired in porcelain, plated brass, plated copper, and plated nickel.

The versatility of the Gas Spin-A-Fire is unlimited, center of the room, in the corner, or near a straight wall with only a 6" clearance from combustible materials. Remote control is standard with the Gas Spin-A-Fire.
